Parental Permission for Sunscreen and Insect Repellent:

The National Academy requires children to be protected from the sun by using either sunscreen or sunblock with UVB and UVA protection of SPF 15 or higher applied to exposed skin. Also, when public health authorities recommend using insect repellents due to the high risk of insect-borne diseases, only repellents containing DEET are used, and these are applied to children older than two months.

My Child has permission to have sunscreen & insect repellent applied when needed.

Instructions: This letter must accompany the Income Eligibility Application.

Dear Parent / Guardian or CACFP Participant:

Alpha School for Young Children, Inc. Participates in the Child and Adult Care Food Program (CACFP) administered by the United States
Name of Facility / Center / Site / Home Provider (Last, First, Middle Initial)

Department of Agriculture. Please help us comply with the requirements of the CACFP by completing, signing, and returning the attached statement as soon as possible. This information is necessary to decide the level of CACFP reimbursement your center is eligible to receive for the meals served to children and/or adult participants in our program. This form will be treated as confidential information. All participants in our program receive their meal free of charge, but the determination of eligibility category affects the amount of federal funding we receive. Foster Children: A foster child enrolled in our program that is the legal responsibility of a welfare agency, or court may be certified as eligible for free meals regardless of your household income. Please refer to the instructions on how to complete the Income Eligibility Application form.

SNAP - Supplemental Nutrition Assistance Program (formerly the Food Stamp Program): If your household is currently receiving benefits under the Supplemental Nutrition Assistance Program (SNAP) or Food Distribution Program on Indian Reservations (FDPIR) and your child is enrolled in a child care center you need only to list the case number sign and date the form.

If your household is receiving benefits under the Supplemental Nutrition Assistance Program (SNAP), Supplemental Security Income (SSI), Medicaid or Food Distribution Program on Indian Reservations (FDPIR) and an adult in your home is enrolled in an Adult Daycare Center then you need only to list their case number sign and date the form. Otherwise, an adult household member must complete the form and disclose total current household income by source, and the names of all household members. The person completing the form must sign, provide a social security number, and date when completed.

The income you report must be last month's total gross household income listed by source, for each household member. If last month's income does not accurately reflect your circumstances, you may provide your annual income, or you may use last year's income if no significant changes have occurred. If your households' income is equal to or less than the amounts indicated for your households' size on the chart below, your provider may qualify for maximum reimbursement rates. The Department of Agriculture defines a household as a group of related or unrelated individuals (not residents of a boarding house or an institution) who are living as one economic unit (i.e., sharing living expenses).

This explains how we will use the information you give us. The Richard B. The social security number may be used to identify the household member in carrying out efforts to verify the correctness of the information on the statement. These verification efforts may be carried out through program reviews, audits, and investigations and may include contacting employers to determine income, contacting a food stamp or FDPIR office to determine current certification for receipt of SNAP (food stamp) or FDPIR benefits, contacting the State employment security office to determine the amount of benefits received and checking the documentation produced by the household member to verify the amount of income received. These efforts may result in a loss or reduction of benefits, administrative claims, or legal action if incorrect information is reported.
